

The Phantom of the Opera

by Gaston Leroux (1868-1927)

Over the years, strange things have been happening at the Paris Opéra. The new owners don't know what to do about the mysterious "Opera Ghost" demanding money, nor the tragic death of the chief scene-shifter. Now the young soprano, Christine Daae, has been kidnapped and her lover, the Vicomte de Chagny, is going mad. Could this all be the work of the mysterious Phantom of the Opera?
